

# PUBLIC SPEAKING & PRESENTATION SKILLS

**Learn from the one of Australia's top public speaking coaches and Certified Speaking Professional Lisa Evans.**

In the recently released LinkedIn Learning 2020 [Workplace Learning Report](#), LinkedIn analysed data from 660m professionals and 20m jobs to map the 15 most in-demand skills.

**Persuasion is #2 on the Soft Skills list.**  
**The ability to convince others to support your ideas, buy your solutions, or to take action.**

# WE LIVE IN AN ATTENTION ECONOMY WITH MULTIPLE DISTRACTIONS AND A HIGH LEVEL OF 'NOISE'.

If you have ordinary public speaking and presentation skills you may struggle to get your ideas heard.

To earn the trust and attention of others you need to be able to engage, inspire and connect with people.

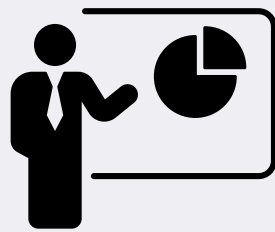

Soft skills are rarely taught in universities. With public speaking training you can learn to speak and sound as smart as you are.

Learning how to speak with clarity, confidence and credibility will help strengthen your professional relationships, and boost your career.

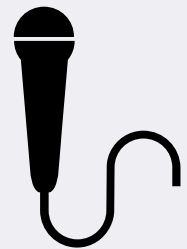

Adopt the right mindset to master your confidence.

Tools and techniques to leverage your energy and boost your presence and confidence.

Discover latest best practice visual presentation and slide design.

A well designed slide deck will enhance the experience for your audience.

Unlock the power of your authentic voice with techniques on using your voice, breath and posture.

Learn how to use your voice to persuade.

What others say:

Having Lisa as my speaker coach was invaluable. Her calm and encouraging manner inspired my confidence, and she helped me deliver my message with more impact.
