Bio 246 Words

Lisa helps professionals to pitch, present and persuade using the power of storytelling.

Lisa Evans is a Certified Professional Speaker, Accredited Executive Coach, Radio Show Host and Podcaster with the ability to weave a story into any presentation, and she will guide you through the process of creating your own engaging stories to captivate any audience.

As the CEO of Speaking Savvy and Director of Soft Skills Academy, Lisa has coached more than 600 leaders, delivered more than 800 in-person workshops, and trained 30,000 people in presentation mastery and business storytelling.

Lisa's journey to professional speaking was not an easy one. She started her career as a midwife, but lost most of her hearing due to a virus. Despite the adversity, she underwent a cochlear implant that enabled her to speak and hear again. Her experience taught her the value and power of storytelling, and she's made it her mission to help others discover their own voice.

Combining her strengths from her nursing background of nurturing, building trust, empathy and intuition, she fosters safe and creative spaces where people can learn and have fun.

Learn the art of 'sticky' stories, and banish boring bullet points and data dumps to take your presentation skills to a new level.
